

BEWARE:

BEING FREE IS NOT FOR EVERYONE.

You have to have the courage to look bad with
many people, say goodbye to as many others
and be ready to be hated.

THE SERVANT RAZE

SAURIAN MADE

SYNTHETIK BLOODY RAZE

Can be substituted and used by agents (possession).

The Cloned Humans, made by Saturnian Enterprises, incarnate in bodies made by alien technology, from the boring way to the feeding, caring and entertainment. Saurian lifestyle disconnects 2 of the and pairs, making the human unable to prescribe the real world, so he stays closed to what they know. The key is they never try to know anything else,

fight for what they have against others even is not working for them and they do not know nothing about the other options.

PROGRAMMES TO BE DEPENDENT AND CLOSED

- ☐ **Conformed:** resignation is a virtue.
- ☐ They need to be constantly entertained.
- ☐ Fully dependant on external power structures to tell them what to do and feel and enforce morals.
- ☐ Childish, immature, irresponsible.
- ☐ They can stand silence. Luxury is having things to fill the limited space.
- ☐ I love gratuity violence but I am a coward when it matters.
- ☐ Life is: a race. A heavy burden.

Ex. Tourists on a tsunami area saving their suitcase.

Arriving safely to Amentis Lounge for body renewal:

- ☐ with a well preserved body in the grave and - karmic score

BE FREE AND CONNECTED**

- ☐ **Not comforted; maybe content and grateful but never resigned.**
- ☐ **They make their own meaningful quality time.**
- ☐ **Never use the state to measure ethics or morals.**
- ☐ **Independent, mature, responsible.**
- ☐ **Silence and space are the ultimate luxury.**
- ☐ **I refuse gratuity violence but I am brave when it matters.**
- ☐ **Life is: a journey, not a destination. An epic adventure.**

Ex. Travellers who stay after a tsunami to help rebuild the area.

Arriving to Amentis Lounge for body renewal:

- ☐ **skidding in sideways, totally worn out, shouting: "holly macro... what a ride!"**

**THE SOLAR RAZE
EVOLVED FROM BIRD+REPTILE
SOLAR BLOOD RAZE**

Can not be substituted or used by agents.

The Solar Raze is living the Terra way, so they ADN has recovered , after a lot of effort, because it takes a lot to keep the saurian air, food and water, and media, out of your body. ..the magnetic and electric things are a real challenge, noise and constant bombing on your brain para hacerlo chispear. The main different is that clones fight the change and Solars bring the change. Mainly clones are the ones who have been massacred the wise & rebel for the last 6 ions, just to make the Saurian even more powerful, while destroying their own soil.
